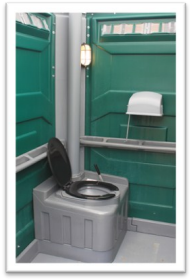
  Disabled WC with 3 man urinal
  Disabled WC with baby changing unit



BABY CHANGERS

BABY CHANGING UNITS

Our fold down baby changing panel is fixed to the wall of a Disabled unit & supports 300lbs of static weight

A safe strap belt with break-resistant buckle ensures the baby is held securely

A waste paper bin is also provided

4 MAN STREET URINALS

These dark forest green units are ideal queue-busters:

- 4x individual urinal pods enable four men to use the urinal at the same time
- Large tank capacity—units can also be linked
- Dimensions: 4ft 3"² x 3ft 7" h (1.32m² x 1.12m h)

6 MAN URINALS

- Dark green/grey exterior with 2x 3 man troughs inside
- Alcohol-based hand sanitizer dispensers
- Unit sizes vary according to model, but range from:
  5ft² x 7ft 6" height (1.53m² x 2.3m height)
  6ft² x 7ft 6" height (1.75m x 2.2m x 2.3m h)
- Disabled WC with 3 man urinal also available.

18 BAY URINAL TRAILERS

Perfectly suited for large-scale events or those with a high proportion of male guests:

- Dark forest green exterior
- Quality sanitary-ware with 18 individual urinal bowls
- Plenty of alcohol-based hand sanitizer dispensers installed with easy accessibility
- Non-slip floor & electric strip light (power required)
- Doors either-side of trailer for easy access
- Up to 1,000 uses with 2x 265L tanks (500 per tank)
- Size (incl tow hitch): 2.3m w x 6.86m l x 3m h

Units must be placed on firm level ground with unrestricted vehicle access. All of our range of plastic loos are self-contained and have their own waste tanks. Disabled Plus loos require a 240v power supply via 13amp household plug or portable generator (min 4Kva). Long-Term rental also available.
