

6 BAY SHOWER TRAILER

CAMPING | COMFORT | POWER

A stylish contemporary unit with powerful hot water.
Modern and functional 6 cubicle luxury shower units.

OUR 6-BAY SHOWER TRAILER IS FITTED WITH:

- Contemporary, bright white, easy clean interior
- 6 individual cubicles each with changing area
- Modern spot lighting and high quality chrome fittings
- Gas boilers for instant hot water
- All showers are supplied with 1 x full 47kg propane gas bottle
- Fresh water header tank to keep up with demand

These units are divas and do need the following on site to work:

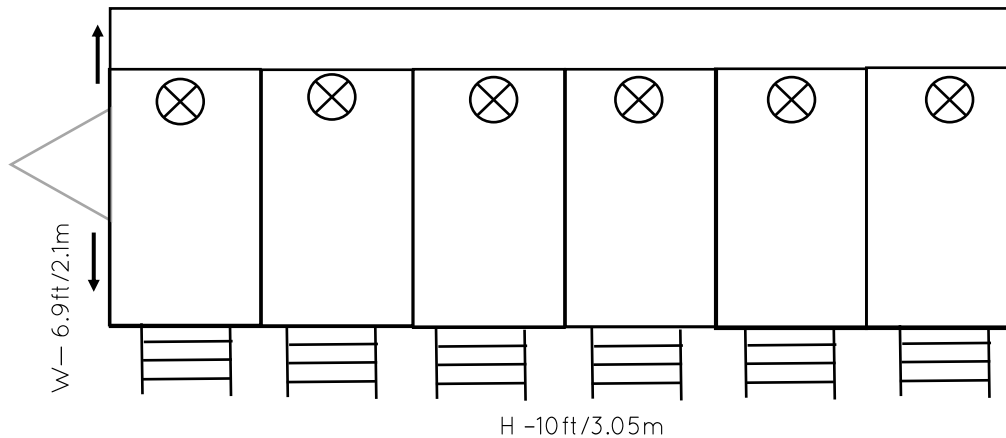

- A constant fresh water supply at a good pressure (i.e from a hose or water bowser)
- 13amp/ 2/5kVa/240v power at all times for the lights/ pumps
- An area for the grey water to soakaway (we do have tanks if needed)

Attendant service and out of hours delivery/collection available- speak to the team for more info.
