RESPECTING YOUR PRIVACY

By submitting this Account Application Form in order to open a credit account, you acknowledge that we will search the files of credit reference agencies and fraud prevention agencies. These agencies will provide us with information about you and your company, including your financial situation and financial history. These searches will be conducted both in order to open your account, and from time to time during the lifetime of your relationship with us.

Credit reference agency searches will place a search footprint on your credit file when they make a search, and this may be sent to other lenders. Credit reference agencies will share your information with other organisations.
